## DEODORGRANS Odor Control Granules

Contains citronella oil—  
a natural ingredient that  
helps deter flying insects.

Naturally formulated **DEODORGRANS** from Vaportek—a powerful and economical dry granular odor control agent. Controls odors instantly and leaves a pleasant, freshly scented environment.

DEODORGRANS

**Available in convenient  
15-pound pails and  
50-pound boxes!**

### Applications:

*A Companion  
Product...*

### Citronella Disks — A Special “Twist” to the EZ-TWIST

The popular black EZ-Twist Refillable Odor Controller is available with disks that are infused with citronella oil! The powerful essential oil has long been recognized as an effective deterrent against flying insects. Simply affix the EZ-Twist inside garbage cans or under lids to help deter pests. Suggested applications for the special EZ-Disk are schools, parks, markets, patio dining, festivals and other outside events.

*EZ-Twist Housing — Item #21-7601*

*EZ-Disks — Item #34-7600-70*

## SPECIFICATIONS

### Safe/Effective

**DEODORGRANS** contains Vaportek's exclusive, natural odor controller. This unique and safe formula works fast, is long-lasting and neutralizes odors on contact. Use **DEODORGRANS** to effectively control malodors between emptying and cleaning refuse receptacles.

### Helps Deter Flying Insects

Specially formulated **DEODORGRANS** features citronella oil—a natural ingredient that helps deter flying insects.

### Simple to Use

**DEODORGRANS** is a user-friendly product. Simply shake or spread **DEODORGRANS** into or around dumpsters, garbage containers and musty areas. One scoop used in an average-size dumpster will effectively kill garbage odors for up to seven days. Adding more will maintain deodorizing effectiveness.

### Economical/Ecological

**DEODORGRANS** is an economical alternative to metered liquid spray deodorization systems. No electrical equipment is needed. Labor time is minimized.

The natural essential oil ingredients in **DEODORGRANS** do not support the growth of bacteria. **DEODORGRANS** is safe and biodegradable, making it environmentally and user-friendly.

**Item #90-7820** Five-gallon pail, holds 15 pounds.  
1/each.

**Item #90-7800** 50-lb. bag-in-a-box  
with convenient scoop.  
1/each.

## APPLICATIONS

- Garbage Dumpsters
- Trash Cans, Containers and Compactors
- Dock Areas
- Storage Areas
- Labs
- Garbage Collection Trucks
- Ash Trays/Smoking Stands ... and more!

Use **DEODORGRANS** to quickly and effectively deodorize the following odor problems: biohazardous medical waste, food wastes, degrading odiferous materials, chemical spills, poorly ventilated spaces and more.

**GREAT IDEA!**  
Sprinkle DeodorGrans  
Around Outdoor  
Seating/Eating Areas To  
Help Repel Insects!
