

X-O Odor Neutralizer

Odor Eliminator spray = Air Freshener

DESCRIPTION: X-O Odor Neutralizer is an effective, ready to use, broad spectrum odor neutralizer. X-O Odor Neutralizer is especially useful for cigarette smoke and odors in restrooms, kitchens and pet litter boxes, and where maximum efficiency and safety are vital. X-O is very useful in vehicles for smoke and mildew odors.

The product is safe for the environment and will not harm people or animals.

Designed initially for morticians, veterinarians and health care providers, X-O is effective against all odors and doesn't leave a masking perfume.

SAFETY: Because X-O Odor Neutralizer is non-toxic, it is safe for use, anywhere.

APPLICATIONS: X-O Odor Neutralizer eliminates all odors. Use for:

Smoke: Tobacco, cooking, fire damage odors.

Must and mildew

Pet: housing and litter boxes.

Bathroom & Laundry: toilet, shower and dirty clothes.

Home health care: diaper pails, bed pans, excreta, urine, vomit.

Kitchen: food, garbage, compactor, disposal, refrigerator.

Clothing: closets, footwear, clothes washing.

Chemical Odors: insecticide, distillate and epoxy odors.

"X-O = freshness!"
