Key products to go years without stripping

e-clean® Floor Finish²⁵ is a Zinc free interlock polymer coating that dries to a deep gloss and is extremely durable under heavy traffic. When used with **e-clean® Dri-Buffer**, the finish is easily repaired, cleaned, and restored to a brilliant gloss.

For optimal results, use with **e-clean® Deep Scrub & Stripper**, **Dri-Buffer** and **Floor Cleaner** to produce a safe, clean floor surface. Stocked in 5's and gallons. Custom sizes available.

e-clean® Floor Cleaner is a powerful neutral product that removes heavy soil while leaving a brilliant high gloss shine behind. **e-clean® Floor Cleaner** is the best cleaner "hands down" for high traffic, high gloss floors. Stocked in 4/1 gallons. Custom sizes available.

e-clean® Deep Scrub & Stripper is an aggressive, non-ammoniated, emulsifying stripper that is concentrated, fast acting and very low in odor. Powerful stripping action means real labor savings.

e-clean® Deep Scrub & Stripper is especially designed to remove zinc-free floor finishes. Stocked in 5's and gallons. Custom sizes available.

e-clean® Liquid Floor Restorer is a unique resurface emulsion concentrate and is formulated to add a layered toughness to the existing coating and replenish any finish worn away by abrasive foot traffic. It dries to a gloss so buffing need not be done immediately, buff when dry or the next day.... Ideal for application prior to buffing with propane and battery operated machines and electric's. Stocked in 4/1 gallons. Custom sizes available.

e-clean® Dri-Buffer is a product of entirely new technology that provides the ultimate in floor appearance, protection and safety at the lowest cost of labor and material. It can be used to maintain any floor finish including other "green" floor finishes. For large areas use **e-clean® Floor Restorer**.

Cutting edge restoration technology provides the "gold standard" for appearance, protection and safety at the lowest cost possible. Use to restore and maintain any floor finish including other "green certified" floor finishes. In large areas, use **e-clean® Floor Restorer**. Stocked in 6X1 pint cases. Custom sizes available.

Floor Care System

Go Years Without Stripping

Huge labor & product savings with lower odor than conventional finishes

Great Products, Huge Savings, Low Odor

The e-clean® Floor Care System includes a complete selection of green certified products. Our system was developed to work synergistically to achieve years of strip free results.

Proven results in major school districts, high traffic retail stores and major public housing properties.

Why strip each year?

e-clean® Cost Savings info

Three Year minimum savings & positive environmental impact

Labor Cost Savings	40%	\$31,800.00
Finish & Stripper Savings	33%	\$14,521.00
		\$46,321.00

Indoor air pollution reduction	38%	329 lbs.
Sewage pollution reduction	38%	1010 lbs

ODOR CONTROLLED FLOOR COATING

One of the added benefits of the e-clean Floor Finish is its lack of typical odors associated with coatings. Since it does not use zinc and other conventional cross linking the finish has little if any odor. This means it can be used in sensitive areas in hospitals, nursing homes, schools and other facilities that the typical process of floor coating presents respiratory issues.

Achieve the best results with the e-clean® Floor Care system using the following steps:

1. **Completely strip the floors. Residual finish may cause discoloration and adhesion problems.**
2. **Apply two to five coats of e-clean® Floor Finish using a microfiber flat mop.**

Week One:

1. **Dust mop daily**
2. **Clean floor with e-clean® Floor Cleaner**
3. **Burnish the floor after 6-7 days using e-clean® Floor Restorer (Gel or Liquid)**

Regular Maintenance Plan:

1. **Clean floors with e-clean® Floor Cleaner**
2. **Burnish floors with e-clean® Floor Restorer (Gel or Liquid)**

Traffic Conditions:

1. **Light to moderate traffic: Scrub with e-clean® Deep Scrub & Stripper every 6 months. Recoat using two coats of e-clean® Floor Finish.**
2. **Heavy traffic: Scrub with e-clean® Deep Scrub & Stripper every 4 months. Recoat by using three coats of e-clean® Floor Finish.**

Recommended Equipment: High Speed Burnisher and proper entrance matting.

e-clean® products are powerful solutions that are carefully formulated to give superior performance while respecting the balance with nature. e-clean® products are certified safer for the environment and for the user. **Clean right to get Green!**

Note: e-clean® Floor Finish 25 generates less toxic VOCs and contributes no zinc to the environment. Savings are calculated based on ISSA Cleaning Times Calculator. Figures based 100,000 sq. ft.
