

Technical Product Information

HERWE DERMASEPT GEL

Instant Hand Sanitizer with 70% Ethyl Alcohol

Description:	HERWE DERMASEPT GEL is an unscented, dye-free, alcohol-based and slightly viscous preparation for hygienic hand disinfection. The product meets the CDC Guidelines.
Ingredients (INCI):	ETHYL ALCOHOL, WATER, ACRYLATES/SC 10-30 CROSS POLYMER, GLYCERIN, PROPYLENE GLYCOL, ALOE BARBADENSIS LEAF JUICE, AMMOMETHYL PROPANOL, FRAGRANCE
Properties:	HERWE DERMASEPT GEL was developed for hygienic hand disinfection without water. Due to its high alcohol contents, it shows a broad spectrum of activity against germs that can cause diseases. It is quickly absorbed and, thanks to the addition of nourishing aloe and glycerin, is well tolerated by the skin and does not cause skin dryness.
Drug Facts:	<p>Active Ingredient(s): Ethyl Alcohol 70% v/v</p> <p>Purpose: Antiseptic</p> <p>Use(s): Hand sanitizer to help reduce bacteria that potentially can cause disease. For use when soap and water are not available.</p> <p>Warnings: For external use only. Flammable. Keep away from heat or flame.</p> <p>Do not use on children less than 2 months of age or on open skin wounds. When using this product keep out of eyes, ears and mouth. In case of contact with eyes, rinse eyes thoroughly with water.</p> <p>Stop use and consult with a doctor if irritation or rash occurs. These may be signs of a serious condition.</p> <p>Keep out of reach of children. If swallowed, get medical help or contact a Poison Control Center right away.</p> <p>Directions: Place enough product on hands to cover all surfaces. Rub hands together until dry. Supervise children under 6 years of age when using this product to avoid swallowing.</p> <p>Other information: Store between 15-30 C (59-86F). Avoid freezing and excessive heat above 40C (104F).</p> <p>Inactive ingredients: water, acrylates/SC 10-30 cross polymer, glycerin, propylene glycol, aloe barbadensis leaf juice, ammomethyl propanol, fragrance</p>
Fields of application:	HERWE DERMASEPT GEL is used wherever there is an increased risk of infection from germs.
Use:	Apply sufficient product from the dispenser to dry hands to cover all surface. The skin surfaces must be kept moist with the product for 15- 30 seconds.
Storage and shelf life:	HERWE DERMASEPT GEL can be kept for 24 months at room temperature (from date of manufacture). The expiry date is on the packaging.
Disposal:	The cardboard and plastic packaging can be recycled.
