

BERRY

An early-morning stroll through a dew-laden berry patch. Includes refreshing, light notes of raspberry, cherry, strawberry and grape. Berry gives a summertime aroma to any environment. (#15)

LINEN

This crisp scent broadcasts a fresh, natural fragrance that is reminiscent of just-washed linens hung in the sun and gently dried by a pleasant summer breeze. (#95)

CHERRY

You don't have to wait for springtime to experience the delights of the fragrant fruit. This tantalizing scent smells as good as the actual fruit tastes when it's picked fresh from the tree. (#40)

MEADOW

Drifting across a meadow, a fresh, light scent is created by blending leafy green and citrus notes with green apples, rose, jasmine and select earthy, mossy tones. (#75)

CINNAMON

The sweet, spicy smell—frequently associated with the holiday season—stimulates warm, revitalizing feelings. Its aromatic qualities have long been recognized as a soothing and effective tonic. (#65)

OCEAN

Like an entrancing ocean breeze, this refreshing fragrance carries hints of green, marine and spice notes, blended with lavender, amber and musk aromas. (#80)

FOREST

Pungent scent of fresh-cut boughs brings back memories of a walk through the forest. Contains a pleasant medley of notes, including pine, cedar and fir. Especially fitting for fall/winter seasons. (#25)

ORCHARD

Sweet petals of blossoming springtime orchards. A delightful combination of fresh scents, with hints of apple, peach and other fruity essences. Orchard treats you to a stroll down country lanes. (#20)

GREEN APPLE

Bursting with the familiar, tart fragrance that fills the air when a juicy, green apple is sliced, this fresh, fruity scent refreshes and invigorates with a touch of sweetness. (#07)

NEW!

POTPOURRI

A medley of fruit and floral notes. This spicy combination has hints of cinnamon, musk and bay leaf. "Something old, something new" is the way you will remember this pleasant, botanical bouquet. (#10)

JAPANESE BLOSSOM

The pleasant scent of Japanese cherry blossoms signals the end of winter and welcomes spring. This fragrance enhances the environment with a lovely scent that helps to celebrate the season. (#08)

NEW!

WINTER

A bracing breath of winter. This cool aroma has been a favorite choice in refreshing indoor airspace for years. Picture yourself in the midst of endless blue sky and brisk, chilling air. (#35)

LAVENDER

A calming fragrance that brings to mind pleasant memories of days gone by. The familiar, sweet scent has traditionally been known as a remedy for stress and a variety of ailments. (#50)

CLASSIC NEUTRAL

The clean, fresh fragrance is based on a blend of eucalyptus and pine oils, creating an effective, natural odor neutralizer. The powerful ingredients make it ideal for treating areas with severe malodor problems.

LEMON

A crisp, fragrant burst of fresh-cut lemons. This refreshing scent is appropriate wherever clean, fresh environments are desired. Enjoy Lemon in the kitchen or any area that needs a sunny perk-up. (#05)

Cedar (#06), Herbal (#30), Vanilla (#45), Mint (#55) and Citronella (#70) are also available in EZ-Disks and Sachets.

NOTE: Classic Neutral is the recommended formulation for the most effective odor control.
