

COMPARISON GUIDE

The Restorator[®]

Vs.

The Restorator DUO[®]

The Similarities

- Treat 20,000 ft³
- Offer a permanent, odor eliminating solution
- Use #90-5150 Series cartridges
- Utilize our safe and unique dry vapor technology comprised of natural essential oils
- Intended for delivering a fast, high intensity treatment solution
- Safe to use in occupied spaces with no special safety equipment necessary
- Lightweight for easy portability
- Create no moisture
- Treat an area's atmosphere, structure, and contents simultaneously
- No ozone or hydroxyl created
- Five year limited warranty

The Main Difference

- The Restorator DUO is a battery-operated system for areas without power. A perfect solution for foreclosures, burned buildings, or for use in automotive markets, among others.

SAME
