

The Many Uses of
X-O Plus
Odor Neutralizer & Cleaner
and **X-O Plus Concentrate**

X-O Corporation 1-800-442-9696 www.xocorp.com

Air Freshener: Spray X-O Plus Odor Neutralizer/Cleaner into the air as needed. Spray into air return vent to neutralize odors throughout the air system zone.

Bathrooms, Showers & Baths: Spray X-O Plus Odor Neutralizer/Cleaner on any surface and wipe with a clean cloth. Spray X-O Plus Odor Neutralizer/Cleaner into the air for "bathroom odors". Pour X-O Plus Odor Neutralizer/Cleaner or Concentrated X-O Plus Odor Neutralizer/Cleaner into toilet to eliminate odors before they start. Dilute Concentrated X-O Plus Odor Neutralizer/Cleaner at 1 oz. per gallon of water as a wipe down solution. Clean all bathroom surfaces: floors, basin, toilet, tub, shower, windows, vanity, mirrors. Pour Concentrated X-O Plus Odor Neutralizer/Cleaner full strength to a clean cloth and wipe shower door or shower stalls to remove soap scum. When an abrasive cleaner is required to remove mineral deposits from toilets/commodos, shower stalls and exterior window surfaces, make a paste of Bon Ami (Bon Ami contains 94% feldspar, a natural clay, and 6% natural soap) with Concentrated X-O Plus Odor Neutralizer/Cleaner. This will form a mildly abrasive cleaning polish that will polish glass, porcelain, stainless steel, ceramic tile, chrome, fiberglass, Formica, and imitation marble. Sprinkle a small amount of Bon Ami on a lint-free cloth dampened with Concentrated X-O Plus Odor Neutralizer/Cleaner. Coat the surface to be cleaned and allow to stand until dry. Polish with a clean, lint-free cloth. Occasionally, when all else fails, it will be necessary to use a wet/dry abrasive paper of 600C (fine) or less on very bad rust stains and mineral deposits. Use wet/dry paper only as a last resort to restore, never in everyday cleaning. Porcelain surfaces can be damaged with wet/dry papers and they should never be used on imitation marble surfaces.

Camping: Spray X-O Plus Odor Neutralizer/Cleaner when using portable camp toilets and outhouses. Use 1 to 2 oz. Concentrated X-O Plus Odor Neutralizer/Cleaner per gallon of water in RV holding tank.

Carpets: For spot cleaning coffee stains, spray with X-O Plus Odor Neutralizer/Cleaner and lift the stain with a dry towel. Use Concentrated X-O Plus Odor Neutralizer/Cleaner full strength to remove chewing gum. (Wet the surface of the gum with Concentrated X-O Plus Odor Neutralizer/Cleaner. Wait several minutes before lifting the gum with a dull knife.) Before vacuuming or spin-bonnet buffing, spray X-O Plus Odor Neutralizer/Cleaner into carpet. Use 1 oz. of Concentrated X-O Plus Odor Neutralizer/Cleaner per gallon of water in carpet extraction cleaner system. No need to add other cleaning chemicals. Proceed to clean the carpet area as per equipment manufacturer's directions. Hard Floors: Use 1 oz. of Concentrated X-O Plus Odor Neutralizer/Cleaner per gallon of water for wet mopping.

Cigarette Smoke: Spray ash trays with X-O Plus Odor Neutralizer/Cleaner. In recreation rooms or wherever smoking is permitted, make a wick with paper towel in a container, soak with X-O Plus Odor Neutralizer/Cleaner and place behind an air vent or screen.

Decomposition odors: Spray X-O Plus Odor Neutralizer/Cleaner to neutralize odors in the air. If decomposition odors are affecting a dwelling or vehicle, clean up liquids and solids and spray the area with X-O Plus Odor Neutralizer/Cleaner. Keep doors and windows closed and air handling equipment running. In large spaces, fog with X-O Plus Odor Neutralizer/Cleaner at 4 oz. per gallon of water using cold aerosol equipment. Soak cotton balls in XC and lob into drop spaces and rafter areas for dead rodent odors inside a wall.

Dining Room: Mop hard floors with 1 oz. Concentrated X-O Plus Odor Neutralizer/Cleaner per gallon of water. Spray X-O Plus Odor Neutralizer/Cleaner to table and counter tops and wipe with a clean cloth.

Dumpsters: Spray X-O Plus Odor Neutralizer/Cleaner into the Dumpster each time the trash is taken out. Use 1 part Concentrated X-O Plus Odor Neutralizer/Cleaner per 50 parts water in Dumpster spray systems.

Fishing: Spray X-O Plus Odor Neutralizer/Cleaner for cabin bilge and ice chest odors. Spray hands after dressing fish and handling bait. Spray tackle box.

Footwear: Mist spray with X-O Plus Odor Neutralizer/Cleaner inside and outside footwear.

Furnishings: Freshen up and spot clean as necessary with X-O Plus Odor Neutralizer/Cleaner spray.

Grease trap and hopper: Spray X-O Plus Odor Neutralizer/Cleaner to outside and inside surfaces. Consider using a pressure sprayer with 4 oz. of Concentrated X-O Plus Odor Neutralizer/Cleaner to 1 gallon of water.

Hunting: Spray X-O Plus Odor Neutralizer/Cleaner instead of a skunk mask for human scent. If a skunk sprays you, spray down with X-O Plus Odor Neutralizer/Cleaner.

Kitchen: Spray waste food receptacles with X-O Plus Odor Neutralizer/Cleaner. Use X-O Plus Odor Neutralizer/Cleaner to clean refrigeration units and counter tops. Use 1 oz. of Concentrated X-O Plus Odor Neutralizer/Cleaner per gallon of water to mop floors.

Laundry: Spray clothes baskets with X-O Plus Odor Neutralizer/Cleaner. Add 4 oz. of Concentrated X-O Plus Odor Neutralizer/Cleaner to wash cycle when dealing with sports attire. Spray X-O Plus Odor Neutralizer/Cleaner into the dryer if any odor remains after washing.

Litter boxes: Spray five to six puffs of X-O Plus Odor Neutralizer/Cleaner to the litter box daily.

Locker rooms: Spray X-O Plus Odor Neutralizer/Cleaner into foot locker vents. Spray into the air as necessary or onto a hard surface for a residual effect.

Patient care: Spray the bed pan with X-O Plus Odor Neutralizer/Cleaner before use. Will eliminate odors before they start. Clean and rinse and spray with X-O Plus Odor Neutralizer/Cleaner after use. **Ostomy:** Put 1 teaspoon of X-O Plus Odor Neutralizer/Cleaner inside the pouch before use to control odors. Spray into the air for airborne odors. Spray bed linens with X-O Plus Odor Neutralizer/Cleaner if purulent odors are present. Use X-O Plus Odor Neutralizer/Cleaner as a perineal cleaner. Spray X-O Plus Odor Neutralizer/Cleaner to wound dressings if odor is a problem.

Patient rooms: Spray furnishings with X-O Plus Odor Neutralizer/Cleaner to eliminate cigarette smoke, urine and musty odors. Spot clean with X-O Plus Odor Neutralizer/Cleaner as necessary. Spray X-O Plus Odor Neutralizer/Cleaner and damp wipe all hard surfaces. Spray X-O Plus Odor Neutralizer/Cleaner and buff all glass, chrome, Formica, and vanity surfaces with a clean dry cloth. In the bathroom, spray X-O Plus Odor Neutralizer/Cleaner to vanity, shower curtains, tub and toilet surfaces and wipe dry with a clean cloth. Safe for painted surfaces.

Pesticide chemical odors: Spray 4 oz. of X-O Plus Odor Neutralizer/Cleaner with 1 gallon of water as an over spray when putting down pesticide chemicals.

Pet grooming: Spray X-O Plus Odor Neutralizer/Cleaner directly to the coat as a grooming aid (avoid the eyes). Shampoo: Add 1 oz. of Concentrated X-O Plus Odor Neutralizer/Cleaner to 32 oz. of water and pour over the animal and work into the coat. Rinse with clean water. Housing may be cleaned with 4 oz. of Concentrated X-O Plus Odor Neutralizer/Cleaner per gallon of water. X-O Plus Odor Neutralizer/Cleaner may be used on females to eliminate estrus odors.

Refrigerator odors: Clean thoroughly with X-O Plus Odor Neutralizer/Cleaner (spray and wipe with a clean towel). Keep the door closed after cleaning and set thermostat on cold. Wad paper towel in a paper cup and saturate with X-O Plus Odor Neutralizer/Cleaner. Place in the door of the refrigerator to eliminate food odors.

Rest Rooms: Spray X-O Plus Odor Neutralizer/Cleaner to all surfaces and wipe with a clean cloth. Use 1 oz. of Concentrated X-O Plus Odor Neutralizer/Cleaner per gallon of water to wash floors and walls. Shower Rooms: Pressure spray with 1 oz. of Concentrated X-O Plus Odor Neutralizer/Cleaner per gallon of water.

Skunk: Spray the pet with X-O Plus Odor Neutralizer/Cleaner and bathe with 1 oz. of Concentrated X-O Plus Odor Neutralizer/Cleaner per gallon of water. Rinse with clean water and dry. (Avoid the eyes)

Vehicles: Use X-O Plus Odor Neutralizer/Cleaner as an air freshener. Add 1 oz. of Concentrated X-O Plus Odor Neutralizer/Cleaner per gallon of water for car washing. Dry with a clean towel. Spray and wipe interior with X-O Plus Odor Neutralizer/Cleaner to clean surfaces and eliminate odors at the same time.
