

X-O PLUS + Cleaner

Odor Eliminator spray and general purpose surface cleaner.

DESCRIPTION: X-O PLUS is an effective, ready to use, multi-purpose, broad spectrum odor neutralizer/air freshener and surface cleaner. X-O Plus is especially useful for medical, veterinary, health care, hospitality and transportation units where maximum efficiency and safety are vital.

The product is environmentally safe and will not harm people or animals.

Designed initially for health care as a general purpose cleaner and for patient care (as a perineal cleaner and for odor control), the product is very effective in cleaning glass, plastics, metals, upholstery and both hard and soft flooring systems.

SAFETY: X-O PLUS is safe for use on all surfaces including plastics, stainless steel, chrome, glass, Plexiglas, hard rubber and painted surfaces.

APPLICATIONS: When used according to label instructions, X-O PLUS is a highly effective:

- Air freshener.
- Surface cleaner, including glass, Plexiglas, chrome, stainless steel, porcelain.
- Carpet and upholstery spot cleaner, including coffee and pet stains.

Because X-O PLUS is so versatile it eliminates the need to carry many different cleaning products.

X-O PLUS works better than harsh chemicals and leaves a refreshed, odorless environment.

"X-O PLUS = Clean freshness!"
